NORTHEAST BROILER/FRYER  
PARTS - PART I FEDERAL-STATE

Trucklot buying interest was slow and  
disappointing. Seller efforts to move  
product by offering out at steep dis-  
counts was meeting little success. Wings  
and tenders continued to receive the best  
inquiries and were about adequate. All  
other items were more than adequate to  
ample. Boneless, skinless and bone-in  
breasts remained in the longest posi-  
tions. Retail and distributive movement  
was light to about moderate. The market  
tone was steady to fully steady on wings  
and tenders. Breast items continued  
weak. The balance of items was steady at  
best.
