**The Building you want.
The Lease you need.**

Telmark has been leasing equipment for over 30 years. Did you know that we've been leasing new buildings for that long too? Consider:

- **Tax deductibility and accelerated write-offs:** Lease payments are income tax deductible over the term of the lease compared to 20-year depreciation of farm buildings and 39-year depreciation of commercial buildings. **Could reduce tax liability this year.**
- **Low upfront costs:** As little as one monthly lease payment.
- **Flexible lease term:** Building lease terms from five to fifteen years.
- **Customized payment schedules:** Lease payment schedules are specially designed to match your cash flow.

First: Talk with a qualified builder to determine your needs and building cost.
Then: Call your Telmark representative for your financing.
