

Congratulations To The 2000 Dairy Of Distinction Winners

Butler County Moniot Farm

Ken and Ann Moniot own this 250-acre farm in Portersville. The Moniots and their two children, Bob and Stacy, feel blessed to have excellent soils and a good herd of cows. They milk 75 cows and have 20 heifers. They also raise corn, hay, and oats. When Ken was in third grade, his parents sided their house with stainless steel siding to prevent it from rusting. To this day, the house still has the stainless steel siding, making it a unique feature in the farm's landscape.
