**Lit'l Pond Farms**

Named for the little pond that is hidden deep in the pasture, Richard and Dorothy Kemerer's farm consists of 230 acres in Cochranon. Lit'l Pond Farm is home to 80 milk cows and seven heifers. The Kemerers take pride in their dairy herd, which sports a rolling herd average of 21,600 pounds. The farm was purchased a year ago when the Kemerers moved from Westmoreland County to escape development pressures. According to Richard, the farm sits in a picture perfect area with beautiful rolling hills.

Our Congratulations and thanks to the Dairy families from the 30 farms throughout the state, that have been designated Pennsylvania Dairy of Distinction.

Agri-King is especially proud of our customers who receive this honor.
