Huntington County

Anderson Farm

Richard and Kay Anderson and their sons, Randall, Richard, and Brian, have lived on their 107-acre farm in Three Springs since 1959. They also farm another farm that consists of 166 acres. With all three sons grown, Richard works full time on the farm and Brian helps out when he can. The Andersons milk 65 cows and have 50 replacement heifers. According to Kay, there's no other place they would want to call home. "When you've lived here all of these years, you just like it."
