

Somerset County

Bill & Jeanette Hunsberger

After settling Jonestown, the town's founder came to live on a 118-acre farm in Davidsburg. Six generations later, the farm was sold to Bill and Jeanette Hunsberger, who now milk 150 cows and raise 115 heifers on the farm. The Hunsbergers have six children, four boys and two girls, all who help out on the farm when they can. Bill and Jeanette moved onto the farm in 1977 and then purchased it in 1983. In addition to the home farm, they rent other farms and farm a total of 650 acres.
