

Premier breeder and exhibitor was the Morrill Farm and Dairy from Penawak, New Hampshire. In the photo from left, back to front are, Kate Glines, Kimberly Morrill, Dave Hartford, Rob Morrill, Maria Hochkoenig, Sherry Morrill, Andy Morrill, and Brie Diecharme.

Red And White Banquet

(Continued from Page A23)

was vindicated 30 years later when the directors voted to eliminate the grade-up program.

An avid oil painter, he has contributed to the association funds through his donations of oil paintings, many of which hang in red breeders homes today as well as in the Red & White office in Breezewood. One of his paintings, auctioned just before the sale on Saturday, sold for \$1200 and was purchased by Leon & Phyllis Miller of St. Johns, Michigan. The Albert Memorial Award was instituted in 1989 following the death of Don Albert. Recipients are recognized for exceptional service and support of the Association and Red & Whites.

Steve Rhodes of Harrisonburg, Virginia was the recipient of the J.P. "Doc" Estranger Young Breeder Award.

The Larry Moore Master

Breeder Award went to Dan Burket of East Freedom.

A "fun auction" which followed the awards brought in \$3200.

The convention included a tour of the national office at Crystal Springs and also of the Burket Falls Farm.

Joan Carpenter, chairman of the event, said, "We were very pleased with the success of the show, sale and banquet. It was the largest crowd ever for the banquet and I think of the largest crowds to attend a sale. It makes all of the hard work worthwhile."

LIBERTY — Tuesday, Aug. 15 is the date for the Northeast District Jersey Show. The Troy Fairgrounds will be the site of this year's show that will be judged by William Taylor, of Marcellus, N.Y. The show will begin at 9:30 a.m.

All typical calf and cow classes as well as a class for senior yearlings in milk will be staged including a production class for animals who have produced 100,000 pounds of milk or 4,000 pounds of fat. A premier exhibitor and premier breeder for the show will also be named. Once again, the Noble family will present a premier performance award in memory of Tommy G. Noble. The award will be given at the end of the show and will be based 50 percent on milk production and 50 percent on class placing.

To be eligible for the premier performance award, please submit the animal's most recent 305-day lactation summary with the entry forms. Fees of \$5 per youth entry and \$7 per adult entry should accompany all submissions. Please include the animal's name, registration number, birth date, sire, dam, owner's name and breeder's name on a piece of plain paper

and send it to Paul Moyer, RR 1, Box 88A, Roaring Branch, PA 17765. The entry deadline is Aug. 8, 2000. Entries post-marked after that date will be subject to a \$15 per head late fee.

Animals may enter the fairgrounds Monday, Aug. 14. On that evening, a pizza party for exhibitors will be held with a brief meeting to follow.

To be admitted to the show, animals must be free from signs of clinical illness or contagious or infectious diseases and must be presented with an official health certificate upon entering the fairgrounds. Vaccinations required include IBR, PI3 and BVD. Animals that have not been vaccinated against BVD during the previous 12 months

must receive one dose of modified live virus vaccine given at least 15 days and not more than 180 days before the show or two doses of killed vaccine two to four weeks apart with the last dose given at least 15 days and not more than 180 days before the show. Animals that have been vaccinated for BVD within the past 12 months must receive a single injection of modified live virus or killed vaccine not less than 15 days prior to the show. Vaccination against rabies is highly recommended.

"Through the years, the quality of the Jersey show has been steadily increasing," says chairman Paul Moyer, "Let's make this year's show the best ever!"

Questions about the show can be directed to Paul Moyer at 570-324-2482.
