

# NEW HOLLAND

## GENESIS™

New Holland 70 Series GENESIS™ tractors are still the most advanced, productive tractor on the market. All four models are built for the way you want to work.

- Model 8670 - 145 PTO hp
- Model 8770 - 160 PTO hp
- Model 8870 - 180 PTO hp
- Model 8970 - 210 PTO hp

**Tightest Turnaround** - the exclusive SuperSteer™ FWD axle lets you make a simple U-turn, even on 22- and 20-inch rows.

**Smoothest Powershift** - You've gotta feel the difference of the straight-line shuttle and easy programmable upshift and downshift.

**The Most Power** - GENESIS™ engines produce up to 50% torque rise for maximum pulling power, and maximum fuel efficiency.

**Easiest Servicing** - From the flip-up hood to easy component removal, the GENESIS is designed for durability and easy maintenance.

**The Best Warranty** - 3 years, 3,000 hours, no deductible. Stop in and test drive the tractors that set the standard

## NEW! New Holland TND/TNS Tractors 42 to 62 PTO hp

### Customer driven design

TND/TNS tractors have the features customers say they need. These tractors outperform and outmaneuver all others in the three-cylinder class. Plus they're loaded with comfort and convenience usually found on much bigger tractors.

**Exclusive SuperSteer™ FWD axle** makes TNS tractors the most maneuverable all purpose tractors available.

**8x8 or 16x16 Synchro Command™ transmissions** feature synchronized gears and a synchronized, left hand mechanical shuttle. The 16x16 includes four speeds 1 mph or less.

**8x8 or 16x16 Synchro Command** transmissions with power shuttle offer clutchless, forward/reverse shuttling for superior operator convenience.

**Exclusive Traction Management System** (TNS tractors only) automatically engages FWD when and only when you need it.

**Four wheel differential lock** is electro-hydraulically engaged on TNS tractors for maximum power to ground performance.

**Comfortable cab** is suspended and pressurized, shielding the operator from vibration, noise and dirt. Heater and A/C, two doors, tilt/telescoping steering, front and rear washers and wipers, and a best-in-class lighting package are standard. Excellent visibility and an overall height as low as 85.1" lets you go places competitive cab tractors can't.
