**VISIT THE  
NEW HOLLAND DISPLAY  
AT Ag Progress Days  
August 15, 16 & 17**

Located on East 2nd Street

For row crop applications, the new three-row 3PN features new spacing from 28" to 32"

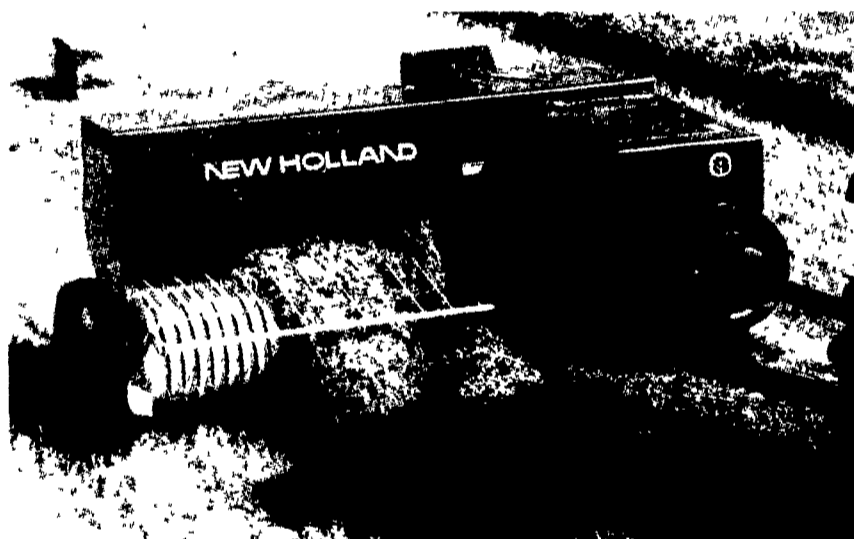

**NEW Model 1412 Discbine  
Disc Mower With Flail  
Conditioner**

**Fast, Trouble-Free Cutting... and Flail Conditioning For Faster Drydown.**

Now, get New Holland's popular Discbine® disc-cutting technology teamed with fast-drying flail conditioning. It's all built into the new Model 1412.

The "1412" has an eight-disc modular Discbine cutterbar for cutting through the toughest, heaviest crop quickly and cleanly. The modular cutterbar features individual disc modules with sealed gear cases and independent alloy drive shafts - it's the secret to fast, easy and inexpensive cutterbar servicing.

Flail conditioning system promotes faster drydown so you're able to save valuable time and bale much sooner.

**Model 575 Baler**

Consistent bale quality

The rotary feeding system, a New Holland exclusive (Models 570, 575, and 580), delivers top capacity and square, uniform bales.

- Super-Sweep pickup: 75 inches wide; 80 inches (flare)
- 156 teeth on six bars (78 double fingers)
- Exclusive rotary feeder
- 283-square-inch feed opening
- 93 SPM on a 30-inch stroke
- Twine
- Category 6 driveline
- 75-hp (minimum) tractor required

**Model 648 Silage Special 4'x5'**

Strength and durability are built into every New Holland Roll-Belt™ round baler. Larger chain idler springs to maintain proper tension, beefier bearings for follower rolls and drive rolls, heavy-duty cam-follower bearings in wide pickups, stronger pickup lift cranks, heavy-duty wheel hubs, and long-lasting curved pickup tines - they're just some of the features we've included to make Roll-Belt balers stand the test of time.

Expand your forage production with a roll-baler silage wrapper to your current haying traditional silage systems. Wrapping adapts well to any field for silage. Along with being a space for your hay.

**SUPER BOOM LS SERIES**

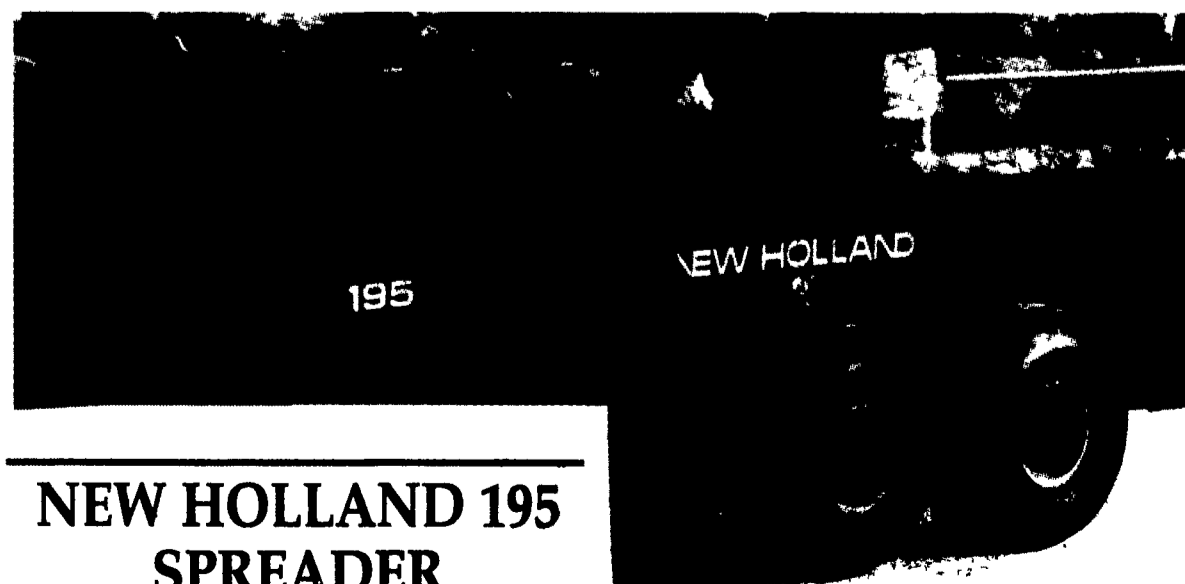

**GREAT NEW LOOK. SAME GREAT PERFORMANCE.**

LS Series Super Boom™ skid steers may have a sharp new look, but they still deliver the same innovative design features and field-proven performance advantages that you've come to expect from New Holland.

Unbeatable performance. All day, every day.

Hard-working farmers all over North America have come to rely on Super Boom skid steers for outstanding performance and unbeatable productivity. They know that when it comes to helping them get the most out of every day, no machine's better than a New Holland Super Boom.
