## Add up the Super Boom™ advantages

No skid steer compares to a New Holland Super Boom™. Add up the advantages

- **Superior visibility:** no rear frame towers in your way
- **Unbeatable stability:** longer wheelbase and lower center of gravity make Super Boom a productive, comfortable, safe machine
- **Faster speeds:** the fastest ground speeds in the industry for quicker cycle times
- **Unequaled dump height & reach:** vertical boom lift path makes it the best
- **Pound for pound, better lift capacity:** Super Boom gives you more lift capacity per pound of total machine weight
- **The most attachments:** More than 60 attachments available with more coming all the time. Super Boom™ also works with most competitive attachments

Stop by today and see for yourself why no skid steer can compare

## Fast, smooth Haybine® performance

The New Holland Model 1465 Haybine mower-conditioner has a five-bar reel for more uniform crop flow into the nine-foot cutter bar. The "1465" provides fast reaction time to field obstructions and has an enclosed wobble gearbox for smooth, dependable operation.

Other proven advantages include:

- Conditioner roll drives with straight spline telescoping shafts for extra durability
- A spring-loaded reel drive idler for improved performance, added header durability and less maintenance
- A cutterbar assembly with square back-bar guards, adjustable hold-downs and a back-hardened knife assembly for long wear and less maintenance

The Model 1465 really is outstanding in the field. See for yourself.
