## SWEETCAKE 16NU

### FEED SUPPLEMENT BLOCKS FOR THE LIVESTOCK INDUSTRY

- High Natural Protein • No Urea • Fat Enhanced
- Balanced Supplementation • Safe For All Livestock Classes

#### Sweetcake Advantages

- Aids in making the best use of your available forage
- Promotes a more even herd consumption, with 24-hour availability to all cattle
- Reduces labor to save you money and give you more time to make important management decisions
- Supplies much-needed vitamins and minerals that forage lacks to help your cattle perform to their genetic potential
- Supplies fat in most formulations to enhance energy intake

#### For Dairy

- Replacement heifers that grow out soundly and economically
- Body condition on dry cows so they can return to lactation, producing at the maximum potential
- Healthier herds, with essential

trace minerals that help prevent metritis, retained placenta and other health problems

- Prompt re-breeding, thanks to essential nutrients

#### For Beef

- Stronger, healthier calves at birth
- Heavier Calves at weaning
- Cows that cycle better for improved conception rates

- Cows that milk better to raise a better calf

- AVAILABLE IN 200 LB. SIZE -

**CUSTOM MIX PROGRAM**

**GIVES YOU**

**OPTIONS IN FEEDING**

**Your Dairy Herd**

**Call us today for a feeding program built to fit your Dairy Herd and your Production Goals.**

For maximum performance and income over feed cost, rations should be balanced to provide the optimum levels of degradable and undegradable protein, nonstructural and structural (fiber) carbohydrate as well as minerals and vitamins. This allows for maximum utilization of the rumen microbes and total ration efficiency. Because your needs may be different from your neighbor's, we adjust the following nutrients and ingredients to fit your needs and goals:

<ul style="list-style-type: none"> <li>• Amino Acids</li> <li>• Protein</li> <li>• By-Pass Protein</li> <li>• Energy</li> <li>• Fiber</li> </ul>	<ul style="list-style-type: none"> <li>• Calcium</li> <li>• Phosphorus</li> <li>• Salt</li> <li>• Vitamins &amp; Trace Minerals</li> <li>• Organic Trace Minerals</li> </ul>	<ul style="list-style-type: none"> <li>• Multi-Protein Sources</li> <li>• Added Animal Fat</li> <li>• Rumen Inert Fats</li> <li>• Buffers</li> <li>• Yeast</li> <li>• Zinpro</li> </ul>
