The Lycoming County Conservation District 15 requesting bids for the construction and excavation required to install an Agricultural Waste Storage Structure, Concrete Slabs and Curbing, Manure and Milk House Waste Transfer Systems, Manure Transfer Pump, and Roof Runoff Controls to be funded in part by the Chesapeake Bay Program. Construction of these projects is expected to begin mid to late October 2000. The site is located in Limestone Township, Lycoming County, PA. A site showing at the property is scheduled for 9.00 Am on September 29, 2000.

Prospective contractors will receive a bid package consisting of instructions to bidders, a bid sheet, and project plans and construction specifications. A sample contract form, construction specifications and other information standard to most Chesapeake Bay Program projects are contained in the February 1998, Contractors Handbook, a copy of which may be obtained from the Lycoming County Conservation District Office. Contractors bidding on these projects are expected to have in their possession and use the manual to carry out these contracts

Small and minority businesses and women's business enterprises are encouraged to respond to this invitation

Sealed bids will be accepted until the public bid opening at 9 00 AM on October 11, 2000. To obtain a bid package or more information on these projects, contact the Lycoming County Conservation District at:

542 County Farm Road Suite 202
