

Thanks and congratulations to J&S Farms, Roaring Spring, Bedford Co., on the construction of their newest Harvestore® structure!

Byron & Delma Over with daughter and son-in-law Jeffrey & Susan Cogan.

The Over and Cogan families recently added a third structure to their farm... a 20x90 equipped with a state-of-the-art Alliance® unloader. Byron began farming with the Harvestore System with the construction of his first structure in 1973.
