

Maryland State Fairgoers Carve Up Cheese

PHILADELPHIA — What can you do with a five-pound block of Cheddar cheese?

A former Wisconsin native found his inspiration in a cow and won the "Beyond Cheddar Cheese Carving Contest" held recently at the Maryland State Fair.

Brian Reetz of Baltimore, Md., with carving tool in hand, created the likeness of a cow from his block of cheese. Reetz was one of four contestants to compete in the contest, which was sponsored by the American Dairy Association/Dairy Council Middle Atlantic and the Maryland Dairy Princess Committee.

Reetz and the other contestants were selected at random from the audience. They each were given a five-pound block of Cheddar cheese, carving tools and ample space to carve their own cheese creation. The carvings were judged on originality, creativity, and visual appearance.

For his first-place win, Reetz received a basket filled with cheese and cheese-related items.

Jeff Myers, emcee of the Cheese Carving Contest, introduces Brian Reetz, holding his cow sculpture, as the winner of the Cheese Carve-Off.

He and the other contestants — Rob Vendramin of Phoenix, Md.; Kacey Jackson of Towson, Md.; and Pam Swanson of Sparks, Md. — also received an "Ahh, the power of Cheese" T-shirt.

Do You Suffer From Fibromyalgia?

When I was introduced to New Image I was 50 pounds over weight and suffered from fibromyalgia. I was so depressed and in pain the majority of the time I was taking steroids and four other medications, one of which made me so 'groggy' I could hardly get out of bed and another gave me ulcers. I began taking New Image secretly because I thought my family would make fun of me. After a month, I discovered I had lost eight pounds and seven inches. Wow! Then it dawned on me, I was feeling better, the depression and pain were gone. In two months I was off all medications. "I feel SUPERIFIC!" Now, two years later I have lost 43 pounds and 30 inches. Thank you New Image for giving me a new life again.
