BEEF TIPS

My experience

"We are well aware of the value of a well planned crossbreeding program. Although we use three breeds in order to maximize hereosis, Simmental would win hands-down if I had to pick one breed."

We Continue To Have Beautiful Llamas For Sale

Our llamas are halter trained, eat out of our hand, and are friendly. They can be used for packing, coyote protection, for wool, as pets, for stress reduction, as well as for a way of life. We have been in the llama business for 14 years, and will give advice and follow-up on the llamas we sell. They are all registered with the International Llama Registry. We can help you get started with a small herd of llamas at a reasonable price. We offer day llama treks, including a meal. Visit our farm and see what we have to offer!
