 October 1-7, 2000

 4-H<sup>TM</sup>

**Discover the world together...  
 become a 4-H volunteer!**

Across the country, 4-H will celebrate National 4-H Week 2000 from Sunday, October 1 – Saturday, October 7. National 4-H Week, celebrated annually, provides recognition to the 6.6 million youth involved in 4-H programs and the 6.3 million 4-H volunteers.

4-H volunteers range in age from 13 to well over 70. Many of them, though not all, are 4-H alumni who wish to give back to the organization that they benefited from. They come from a wide array of economic situations and backgrounds and share the common interest of youth development.

Whether planning summer camp, assisting with raising steers, or teaching electricity, the skills volunteers bring to 4-H strengthen it and help the young people. Over and over, volunteers say they concentrate on what they can contribute, yet are amazed at what they gain.
