Waterbeds for Cows

 12 Year Limited Warranty
 The ALANTA Waterbed for cows is a revolutionary product, comfortable, safe and hygienic. It clearly improves your cows' well-being and therefore promotes higher milk production. It is the ultimate stall floor covering for the modern, animal-friendly dairy farm.
WELL MADE
 The ALANTA Waterbed is made of two rubber layers with a water-filled compartment in between. GD-Enerka gives a 12-year guarantee.
COMFORTABLE
 The waterbed molds itself to the cow's shape. It's cool in summer and pleasantly warm in winter.
SAFE
 Thanks to the non-slip rubber upper surface, the cow is gripped firmly and cannot slip off. In this way the ALANTA waterbed keeps damage to hooves to a minimum.
