

Swine Champions Announced At KILE

HARRISBURG (Dauphin Co.) — Keystone International Livestock Expo (KILE) recently announced swine champions.

Berkshire

Weber Brothers Hog Farm of White Hall, Md., won the Berkshire — breeding swine champion gilt showing Cor Genes Mode at the Keystone International Livestock Expo (KILE) held at the Pennsylvania Farm Show Complex in Harrisburg recently. James T. Parlett Jr. of Airville, won reserve champion gilt with GB10 Gold Miss 7-1. Premier exhibitor was won by Arlie Cornbower of New

Freedom, with Coro Zena Rose. Champion boar was awarded to Hart Family Berkshire of London, Ohio, showing WJHO Excalibar. Reserve champion boar went to Arlie Cornbower of New Freedom, exhibiting Coro Helena.

Chester White

Ken Wetzel and Family of Rossiter, received champion honors in the Chester White breeding swine show. The Wetzel Family received champion gilt with 45-5 and reserve champion gilt with 62-9.

The grand champion boar was given to GWR The Great

One owned by Weber Brothers Hog Farm of Shrewsburg. The reserve champion boar was 62-3 owned by Ken Wetzel and Family of Rossiter.

Duroc

Clyde McConaughy of Smicksburg, won the Duroc breeding swine champion gilt showing GWMO MS Tool Box at KILE. Holloway Genetics of Glen Rock, won reserve champion gilt with DCHHO MS Red 10-6. Ken James and Dan Wetzel of Rossiter, won premier exhibitor with 40-8.

Champion boar was awarded to Stull Hamp Farm of Wooster, Ohio, showing BSHO Red Wolf 3-9. Reserve champion boar went to Holloway Genetics of Glen Rock, exhibiting DCHHO Reflection 11-3.

Berkshire open breeding champion gilt. Michael Weber, exhibitor, White Hall, Md.

Chester White open breeding champion gilt. Jamie Wetzel (shown in photo) Ken Wetzel and family, Rossiter.

BALE KING

Give your entire herd all the advantages the dominant cows take!

Better bedding with less straw -

A uniform layer of straw helps ensure dry bedding for all your livestock, not just the boss cows. Your entire herd will be cleaner and more comfortable.

Bale King can also be used to spread straw inside poultry barns or blow straw into open front cattle shelters and calving huts as well as produce bedding for hogs. Fast, uniform spreading in a fraction of the time without a pitch fork or strings.

Processing improves palatability - Reduces feed costs

Processing the bales makes it a lot easier for your livestock to feed. They will no longer have to pull and tear at a packed bale to get a bit of feed. They'll be able to feed faster and use less energy in feeding. Processed feed may improve feed conversion rates. There's also less waste. Many Bale King owners report feed savings of 20% or more.
