Please pass this information along and get your reservation in early! Arrangements can be made for central pick-ups enroute

Dale Rosman, Past PYFA President, has done some research on a bus to the 2000 National Institute in Cheyenne, Wyoming. If there is enough interest, a 44-passenger bus will be leaving State College at 8:00am on Monday, November 27. Hotel rooms will be approximately \$45/person or could be better due to the time of year and the meals would be on your own. Airfares are currently very costly therefore, the direction for a more reasonable means.

In order for the trip to even be considered, a minimum of 30 people must sign up. Also, if the bus is not full to the capacity of 44, the cost will be increased accordingly.

Please return the bottom portion of form to Dale Rosman, 144 Century Drive, Spring Mills, PA 16876 along with your deposit.
