Give your cattle everything they need - every last leaf!

With the NDE Vertical Mixer, you won't watch your feed nutrients blow away. Cut your baled hay or baled silage fresh each day right in the mixer! The NDE Vertical mixer will cut large or small round or square bales. Then add the other ingredients your ration calls for.

The NDE Vertical Mixer will give your cattle a TRUE TMR that is light and fluffy, and truly palatable, no matter what you add to it by-products, commodities, long-stemmed hay, silage, grain
