Augers
Hydraulically driven augers provide fast, economical digging. With auger bits available from 6-inch to 36-inch diameters, these augers give you the ability to handle a multitude of tasks. Normal digging depth is 48 inches. Optional 14- and 24-inch extensions available. A 30-inch tree/shrub auger is also available.

Steel Tracks
For sand, snow or mud, Gehl steel tire tracks get you through the toughest weather and working conditions to get the job done. A patented self-cleaning design keeps mud, ice, rocks and other debris from wedging in the tracks.

THE ALL-NEW SL 4635 & 4835

GEHL'S EXPANDED "35 SERIES" Now More Versatile Than Ever!

Gehl's all-new "35 Series" line offers the most advanced design in skid loader history. Now with increased lift and unsurpassed visibility, plus more power, they handle a broad range of applications. The line includes two new models - the SL 4635 and 4835. Highly maneuverable with exceptional stability, they get the job done in tight confines. Like all "35 Series" skid loaders, they offer built-in features for easy maintenance and user comfort. Reliable and efficient, Gehl will match your skid loader needs.

Power Landscape Rake
The perfect tool for landscape contractors. With a unique rake action, these units collect rocks and surface debris, leaving soil in a loose, level condition. They remove rocks, sticks and metal from the ground surface, leaving you with several inches of loose, relatively debris-free soil. Their unique action will also dethatch tired turf, leaving the surface ready to re-seed.

Trencher

GEHL Construction Tough
