## LOG CABIN HORSE FARM

Offering a new approach to horse keeping!!!

Are you tired of having your horses stand in wet stalls? Would you like to dry them out and save money on bedding at the same time? Are you tired of the mud holes your horses make outside the barn door or off the end of the concrete? Would you like a solid surface around your outside hay feeder that allows moisture to soak through to the ground below?

If this sounds good, give me a call and I will explain how it works and how much it costs.
