

Penn State Animal Sciences Open House Nov. 1-2

UNIVERSITY PARK (Centre Co.) — An exciting opportunity is available for high school juniors and seniors considering continuing their education at Penn State.

The Block and Bridle Club, Dairy Science Club, Poultry Science Club, and Students for the Responsible Use of Animals Club are co-sponsoring a Prospective Student Open House Nov. 1-2 at the University Park campus.

This is an opportunity to visit campus, meet and socialize with student leaders in the program area, attend an animal science laboratory class, tour the campus and large animal facilities, have lunch in the dining halls, and meet faculty and staff in the Department of Dairy and Animal Science and the Poultry Science Department.

Faculty from the Undergraduate Education Office will

answer questions about admissions to Penn State and the College of Agricultural Science.

Arrival and registration is Wednesday, Nov. 1, from 5 p.m.-6 pm. Students will stay

overnight with a responsible student. There is no cost to the participants and all meals will be

provided.

The program will end at 3:30 p.m. Thursday, Nov. 2, to allow students to return home in time for studies and school activities. All county extension offices and FFA chapters have received information and registration forms.

Preregistration is required to allow for assignment of student hosts. To register, mail the following form to the Animal Sciences Program, 324 W.L. Henning Bldg, University Park, PA 16802 or fax it to (814) 863-6042, attn: Jana Peters.

If you have any questions regarding the open house, or the major, call the Animal Sciences Student Services Office at (814) 863-3664. If you are unable to attend and would like to arrange a personal visit to campus on another date, contact Jana Peters at (814) 863-4198.

Animal Sciences Prospective Student Open House November 1-2 Registration deadline: October 27, 2000

A Whole in One Tractor, Loader, Backhoe

On the golf course, farm, or construction site, you'll appreciate the 'whole package' of the powerful 4WD, B21 TLB. Designed to handle a multitude of jobs with a powerful loader and backhoe that increase versatility. Strong enough to haul over rugged terrain and dig into compact ground — yet surprisingly quiet. Powered by Kubota's popular E-TVCS diesel engine, the B21 TLB comes with hydrostatic transmission, 21 HP and single pedal control — a plus when manoeuvring in and out of tight spaces.

Look at the B21's whole package at your Kubota dealer

Kubota.
