**Waterbeds for Cows**

12 Year Limited Warranty

The ALANTA Waterbed for cows is a revolutionary product, comfortable, safe and hygienic. It clearly improves your cows' well-being and therefore promotes higher milk production. It is the ultimate stall floor covering for the modern, animal-friendly dairy farm.

**WELL MADE**  
The ALANTA Waterbed is made of two rubber layers with a water-filled compartment in between. GD-Enerka gives a 12-year guarantee.

**COMFORTABLE**  
The waterbed molds itself to the cow's shape. It's cool in summer and pleasantly warm in winter.

**SAFE**  
Thanks to the non-slip rubber upper surface, the cow is gripped firmly and cannot slip off. In this way the ALANTA waterbed keeps damage to hooves to a minimum.

**Having Problems Getting Milk Cold?**

Consider a Mueller pre-cooler. It's an excellent way to lower the cost of cooling milk. It reduces milk temperature with water pumped straight out of your well. Mueller® precoolers are available in sizes to work with any system. If lower electric bills would make your life easier, call us and ask for more information on Mueller precoolers.
