**Waterbeds for Cows**

The **ALANTA Waterbed** for cows is a revolutionary product, comfortable, safe and hygienic. It clearly improves your cows' well-being and therefore promotes higher milk production. It is the ultimate stall floor covering for the modern, animal-friendly dairy farm.

**WELL MADE**  
The ALANTA Waterbed is made of two rubber layers with a water-filled compartment in between. GD-Enerka gives a 12-year guarantee.

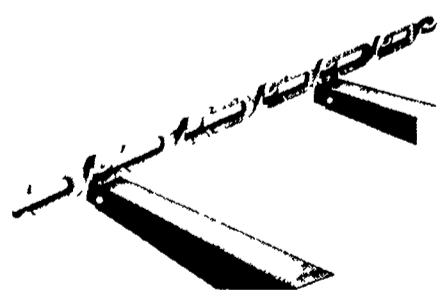

**COMFORTABLE**  
The waterbed molds itself to the cow's shape. It's cool in summer and pleasantly warm in winter.

**SAFE**  
Thanks to the non-slip rubber upper surface, the cow is gripped firmly and cannot slip off. In this way the ALANTA waterbed keeps damage to hooves to a minimum.

**ALANTA**  
Poly Power Flooring
