Looking For Something To Do?

Visit these Internet sites for information and instructions on plenty of fun activities. You may even find some great ideas for holiday gifts.

Science, crafts and more. This part of the National Geographic site is divided into three sections—crafts, science and cooking. You can make crafts that could turn out to be great gifts. Try some science experiments or cook up something fun for a special occasion.
<http://www.nationalgeographic.com/world/trvthis/index.html>

Crafty, fun ideas. Whether it's making good things to eat or making fun things to give as gifts, this site has instructions for you. You can find things to make for Thanksgiving, Christmas, Hanukkah, Kwanzaa and many other holidays.
<http://www.kidsdomain.com/craft/>

Recycle! Visit the Imagination Factory for great ideas on making recycling fun. Whether you like to draw, sculpt or paint, this site includes information on projects you can make while helping recycle.
<http://users.hsonline.net/kidart/>

Better Homes' projects. You'll find step-by-step instructions to make a variety of projects on your own or with an adult. The site has projects for holidays and all kinds of other occasions, too.
<http://www.bhg.com/bhgkids>

Origami. Find out what origami is and what the different paper folds are. Then make your own origami snowflake, Santa or dragon or try any of the other projects.
<http://www.origami.vancouver.bc.ca/>

Holiday ornaments. Whether you're adding to your Christmas tree or helping decorate your home, this site includes instructions for a variety of holiday projects.
<http://www.holidays.net/christmas/goodies.htm>

Projects just for kids. No matter what your age or interests are, you will find a project to make at this site. And you can find great gift ideas to put together for every member of your family.
<http://www.michaels.com/kids/kid-main.html>

Crafts, recipes and activities. Make a gift for your brother or sister from the craft ideas at this site. You also can make something good to eat or enjoy the activities with family and friends.
<http://www.theideabox.com>

Craft library. This site has a wide variety of craft ideas for all ages. Be sure to click on the Craft Library link for even more ideas. Then check out the Thanksgiving and holiday ideas.
<http://www.caro.net/~joespa/pp/index3.htm>

Fun activities. Page down to find craft and activity ideas. They include things like making a bug catcher, decorations for your Thanksgiving table or puppets for all kinds of events.
<http://www.geocities.com/heartland/7997/sherri2.htm>

Mr. Rogers' activities. Use everything from empty egg cartons to newspapers to build a village or make a doll as big as you.
<http://www.phs.org/rogers/tourguide/activity.htm>

Creativity Central. Many types of creative ideas can be found at this site from Crayola. You'll even find ideas for school projects. Search through the projects by subject, how long it takes to make them, age group and more.
<http://www.crayola.com>

Lots of fun. Click on the Pack of Fun button in the left column to get to the activity ideas. You'll find holiday and everyday ideas for crafts you can make. Just remember to look around the house. You may already have some of the materials you need.
