We Breed Champions, Too!

Well we really don't "breed" them but we feel each mixer that we produce is a champion in every way. We take great care in designing each machine before it is built. We also track each machine after it leaves our facility, making sure it is delivered to you on time and ready to go to work the minute it is off the truck. We then follow the life of the Mixer, making sure that the customer is happy with the machine long after the sale. If you want a company that takes as much pride in their product as we know you do in yours, give us a call.

Call the Vertical Mixer Specialists at New Direction Equipment today.

Binkley & Hurst Bros. Inc. Has A Heavy Duty KNIGHT In Stock For You!

Retire Your Current Spreaders

Get the soil nutrients needed to grow your corn crop this year. If you have pen pack, sticky feed lot or slurry-type material that needs to be spread fast...and spread evenly, you need the KNIGHT PRO-TWIN SLINGER.

Top dress wide spread or heavy application regulated by door opening. Material is pulverized by heavy duty hammers eliminating frozen chucks and piles of manure, good even thorough spreading commercial grade construction to give many years of trouble free spreading. With a Knight, twin patented auger you can circulate manure with door closed and not pushing material out over the front of the spreader.

SEE THE ALL NEW KNIGHT BOX SPREADERS - 300 Bushel 1030 & 400 Bushel 1040

FEATURING: 500 & 600 BUSHEL MODELS ALSO

- 3/4", ultra-high molecular weight, solid poly floor
- Thicker, 10 gauge copper bearing steel sides and front featuring all-welded construction
- 3/16" thick, all steel rear endgate
- Variable speed hydraulic apron drive with tractor-mounted control.
- 26" rooster-comb beater
