Match A Spreader To Your Needs
 Yourself 100 Thin
Get Unmatched Flexibility At A Great Price.
 With eight sizes to choose from and a wide variety of options, it's easy to see how the New Idea 3700 Series Spreaders meet the needs of any operation. Their aggressive, main beater paddles are strategically spaced and angled to shred a wide range of material while giving you a consistent spread pattern.
 Culvert-grade galvanizing over one-piece, copper-bearing steel sides provide a barrier against rust and corrosion. And for hauling long distances, the truck-mount option proves to be the safest, most economical way to transport large amounts of material.
 To see how simple it is to customize your spreading operation, contact your AGCO® New Idea dealer today. You'll be surprised how much time and money you'll save with the New Idea 3700 Series Spreaders.
