Augers

Hydraulically driven augers provide fast, economical digging. With auger bits available from 6-inch to 36-inch diameters, these augers give you the ability to handle a multitude of tasks. Normal digging depth is 48 inches. Optional 14- and 24-inch extensions available. A 30-inch tree/shrub auger is also available.

Steel Tracks

For sand, snow or mud, Gehl steel tire tracks get you through the toughest weather and working conditions to get the job done. A patented self-cleaning design keeps mud, ice, rocks and other debris from wedging in the tracks.

Today's Most Advanced Disc Mower Conditioner

GEHL Model 2365

10' Cut In Stock for Immediate Delivery

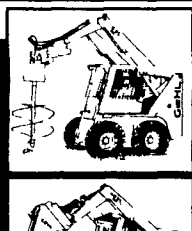

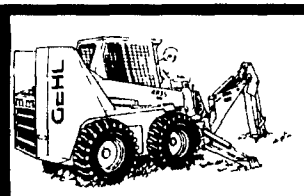

Also Model 2345 9 Foot Cut In Stock

Long hood for less wind turbulence for cleaner cutting in thin crop stands. A Gehl disc mower conditioner delivers exceptional cutting and conditioning, even in your most difficult crops and conditions. Rugged high-speed cutting discs, spinning at 3,000 rpm, easily slice through down and tangled crops or dense wet undergrowth to deliver a clean cut. The cut crop is delivered to Gehl's specially designed intermeshing rubber conditioning rolls for thorough, yet gentle crop conditioning. They'll condition your crop for fast drying.

Easily replaceable disc drive assemblies. Drive stations can be removed individually for quick servicing. Bearings are sealed in grease. The patented Protectadrive™ system protects the cutterbar gear train from damage in the event of disc contact with major field obstacles.

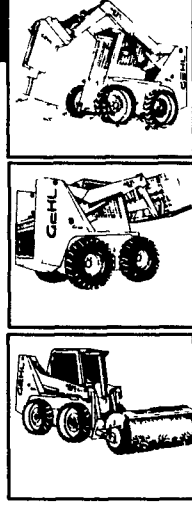

ONLY FROM GEHL
The gear driven cutterbar (outlined in white) is protected. Gehl shields the cutterbar from rocks or other field obstructions with full-width skid shoes.

THE ALL-NEW SL 4635 & 4835

GEHL'S EXPANDED "35 SERIES" Now More Versatile Than Ever!

Gehl's all-new "35 Series" line offers the most advanced design in skid loader history. Now with increased lift and unsurpassed visibility, plus more power, they handle a broad range of applications. The line includes two new models - the SL 4635 and 4835. Highly maneuverable with exceptional stability, they get the job done in tight confines. Like all "35 Series" skid loaders, they offer built-in features for easy maintenance and user comfort. Reliable and efficient, Gehl will match your skid loader needs.

Power Landscape Rake
The perfect tool for landscape contractors. With a unique rake action, these units collect rocks and surface debris, leaving soil in a loose, level condition. They remove rocks, sticks and metal from the ground surface, leaving you with several inches of loose, relatively debris-free soil. Their unique action will also dethatch tired turf, leaving the surface ready to re-seed.

Trencher
The perfect tool for trenching. With a unique cutting action, these units cut through hard soil, leaving you with a clean, straight trench. They remove rocks, sticks and metal from the ground surface, leaving you with several inches of loose, relatively debris-free soil. Their unique action will also dethatch tired turf, leaving the surface ready to re-seed.
