

Beef Club Conducts Awards Banquet

CHAMBERSBURG (Franklin Co.) — The Franklin County 4-H Beef Club conducted its roundup Sept. 30 at Greencastle livestock market. There were 25 exhibitors competing for fitting and showing awards. They also competed in five different weight classes for the grand and reserve champions steer. John Housner from York was the judge.

The sale followed at 7 p.m. in the auction barn. Harry Backman of Annville was the auctioneer.

The grand champion steer was bought by Hoss's Steak and Sea House and the reserve champion was bought by Clugstons Ag and Turf John Deere Equipment.

The annual buyers award banquet was Nov. 4 at Menno Village Banquet Hall.

After the meal, all buyers and guest were introduced and the awards were given to the 4-H members.

Since 1972...The Original & The Largest
POURED SOLID CONCRETE
STORAGE SYSTEM SPECIALISTS

START WITH THE BEST! POURED CONCRETE WALLS

You get about 40% more concrete for your dollar with a poured, solid concrete basement as compared to a hollow core block basement.

A poured solid concrete basement weighs about 50 lbs. more per cubic foot! Far denser! What's more, poured solid concrete walls are monolithic there are no joints!

This is why laboratory tests show poured, solid concrete basements have many times the flexural and compressive strength to withstand the side and down pressures caused by earth, wind, water and building loads and the material density to resist water penetration.

Best of all thanks to modern and efficient construction techniques poured solid concrete basements are competitively priced.

Solid Concrete For:

- Manure Pit Walls
- Hog House Walls
- Barnyard Walls
- Chicken House Walls
- Retaining Walls
- House Foundation Walls
- Silage Pit Walls
- Cistern Walls
- Concrete Decks
- Concrete Pit Tops
