

**Delmarva
Broiler/Fryer
ATLANTA, GA.
December 13, 2000**

Report Supplied By USDA

Movement of ready-to-cook whole birds was seasonally light and unaggressive as once again buying interest had shifted to other items for the upcoming pre-holiday period. Seller offerings were readily available, competitively priced and difficult to clear. Live supplies were at least moderate; weights remained mixed in a full range of light to heavy. Processing schedules varied and were moderate to moderately heavy overall. Less than trucklot asking prices were unchanged at 48 to 62 cents. Trade sentiment continued weak. In the parts complex, bone-in breasts and wings cleared best. All items were generally noted as adequate.

**Northeast Broiler
Fryer Parts
Part I**

ATLANTA, GA.
December 13, 2000

Report Supplied By USDA

Trucklot buying activity was seasonally light to no better than fair as retailers and distributors shifted their focus to the more traditional holiday items entering the market.

Offerings of breast items were generally adequate, and dark meat parts were

readily available. Wings continued to see active interest and were clearing well. Movement through retail and distributive channels was generally light. The market tone was fully steady to instances firm on wings, steady on the balance.
