**Eastern Region  
Frozen Eggs**

ATLANTA, GA.

Dec. 15, 2000

Report Supplied By USDA

Majority prices were unchanged when compared to a week earlier. Generally as the holiday approaches the undertone was no better than steady on yolks, mixed but improved on whites and unsettled on whole. Trading was light with buyers usually on the side line and sellers cautious as breaking stocks prices trended higher. Supplies were about adequate. Liquid and frozen eggs (ingredients included) processed under federal inspection in the Eastern region for the week ending December 09, 2000 were 44% less than last week and 59% less than a year ago.
