Kubota
Better Results... Every Time.

In the ever-changing world of agriculture, farmers are forced to increase efficiency in their operations. To assist farmers in this process, Hoover is pleased to offer the Kubota product line. Kubota has a powerful lineup of versatile, compact tractors that stack up against any tractors on the market.

And, with loader, mower and backhoe attachments, a Kubota tractor is virtually every utility tractor you need. Hoover also has assigned Don Beidler, who has been a Hoover employee for 25 years, to launch the Kubota product line at the Intercourse location. Call Don today and let him help you choose the Kubota tractor that is right for your operation.
