Tired of Cleaning out your Feed Bunks?
When utilizing less-than-perfect feeds stuffs conventional feed wagons allow your cattle to pick and choose what they like leaving undesirable feed in your bunks. A Vertical TMR Cutter/Mixer/Feeder from New Direction Equipment will cut and blend your large or small round or square bales of hay or silage into a TRUE Total Mixed Rotation, which is fluffy, palatable, readily eaten. The NDE Vertical Mixer not only eliminates waste in your bunks but it also eliminates the need for a tub grinder
