

THE BEST SYSTEM ON EARTH

The Tiller That Has It All

Your garden can be the most productive ever using our machines. No other machine can break ground, cultivate, and power compost like a BCS. BCS offers you the three things you look for in a tiller:

Durability

With our all gear drive transmission and automotive style clutch, BCS machines are built to stand up to years of punishing use. In fact, we are so confident of BCS's reliability, all our machines are backed with a **No-Time-Limit Warranty* on all gearbox components.**

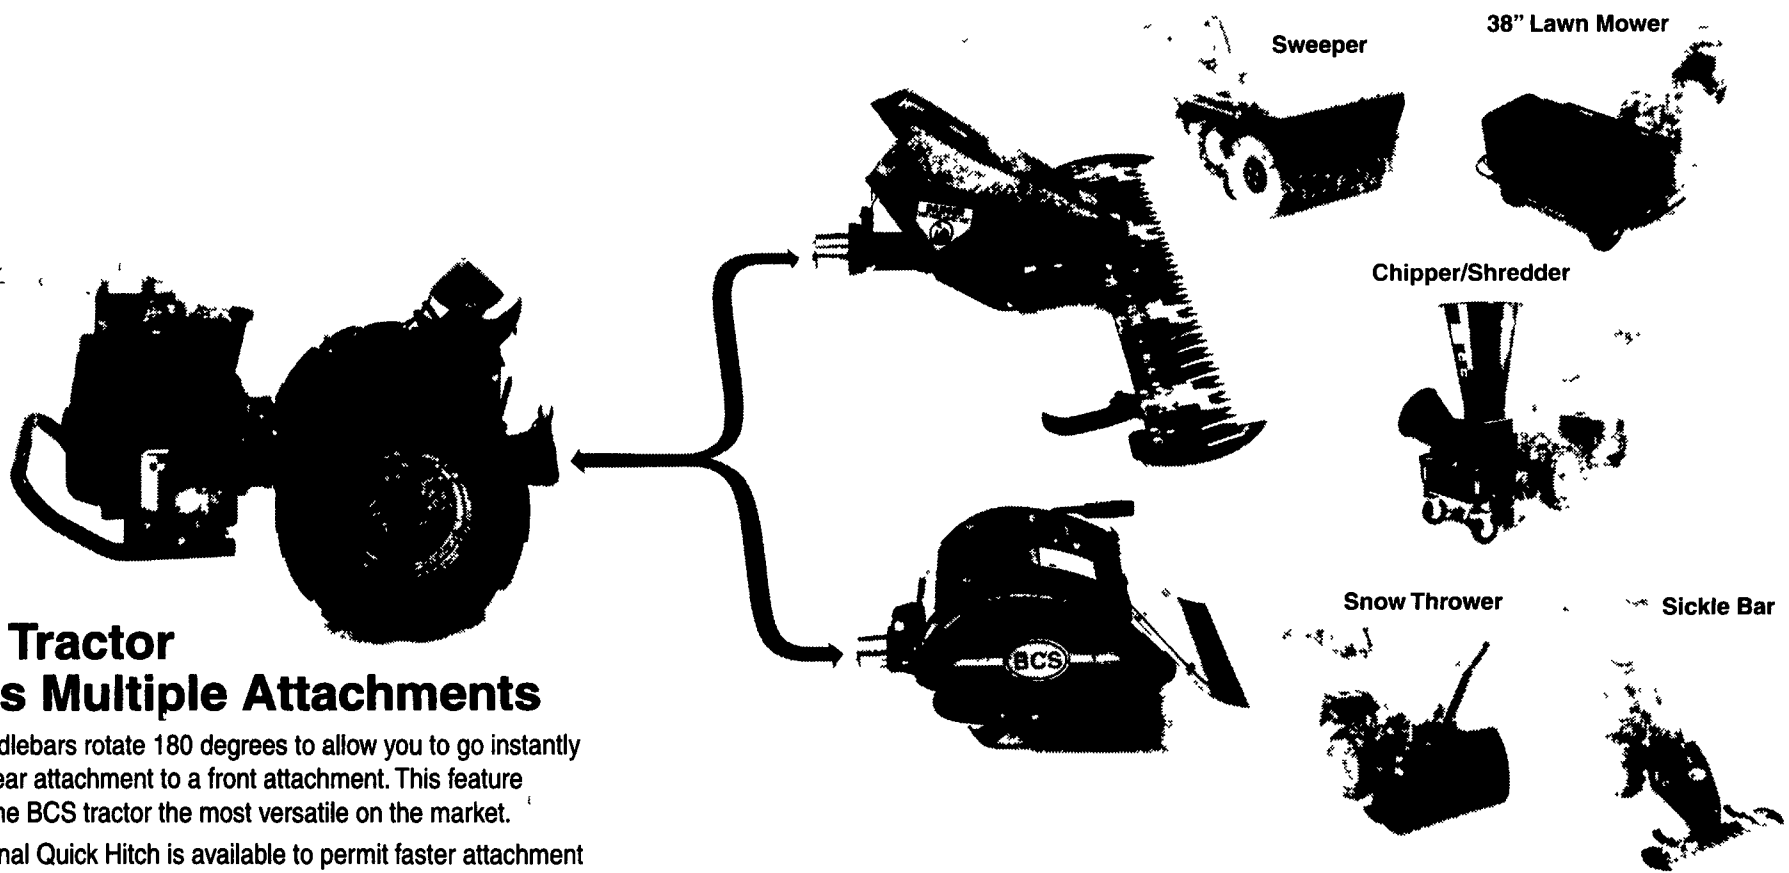

Performance

When comparing the gardening features on a BCS to any of the competition, it's clear that the benefits BCS offers you puts us a step ahead of everyone else. BCS will simply give you the best looking, most productive garden you can have.

Service After the Sale

If anything ever does happen to our machines, BCS has an extensive dealer network of "Gardening Experts" who can take care of your needs.

BCS takes great pride in the equipment we offer and we strongly urge you to compare us to any other tiller on the market. You will then find out why BCS really is "The Best Tiller On Earth."

One Tractor Runs Multiple Attachments

The handlebars rotate 180 degrees to allow you to go instantly from a rear attachment to a front attachment. This feature makes the BCS tractor the most versatile on the market.

An optional Quick Hitch is available to permit faster attachment changes without the use of any tools.
