**Delmarva  
Broiler/Fryer  
ATLANTA, GA.  
January 24, 2001**

Report Supplied By USDA

Movement of ready-to-cook whole birds was slow to fair. Seller offerings were adequate to tight and were in the closer balance on the 3 pound sizes. Live supplies were moderate; weights remained mostly desirable to heavier than desired. Processing schedules were reduced at several plants and were just moderate in total. Less than trucklot asking prices were unchanged at 52 to 66 cents. Trade sentiment was fully steady on the 2.5 and 3 pound sizes, steady on the heavier weights. Breast cuts, particularly bone-in continued to clear well and increased inquiry was noted for thighs. Interest in additional wings was off sharply.
