

# Hooper's Spring Bargain

## We're Big On the Power But Not On the Price

*You can afford to move up to the productivity and profitability of a Steiger 4WD tractor*

*For over 25 years, Hooper has been selling and servicing Steiger four-wheel drive tractors. Over that time, Steiger tractors have stood for power and leadership, and the new STX Steiger tractors deliver a combination of industry leading features to maximize your productivity and profitability.*

### The Frame

The new STX Steigers are built bigger and stronger for superior durability, perfectly matched to the higher horsepower and demanding duties of larger-acre operations.

### The Engine

The new STX series Steigers were designed for maximum engine efficiency and fuel economy. With the highest torque rise (43%) and largest power growth, the new STX Steigers put more power to the ground when you need it most.

### The Transmission

The new STX Steigers feature the industry's first 16 speed full powershift in a 4WD. The powershift features nine gears between 3 and 8 miles per hour, shuttle-shift forward-reverse, and transport speeds up to 23 mph on the road.

### The Axles

The new STX Steigers feature a rugged axle designed for more seasons of reliable performance. The newly designed axles help transfer the power from the engine, through the transmission and down to the ground.

### The Cab

The impressive Surveyor cab offers control, comfort and convenience. Both Luxury and Deluxe cabs have automatic temperature control, sunshades (front and rear), tilt steering wheel, and the most glass area in the industry - 67.8 sq. ft.

**MODELS AVAILABLE FROM 275 TO 440 PTO HORSEPOWER**

**Priced from \$106,900 Equipped to Go to the Field**
