# Rural Economy

**Cost-efficient Centurydrain® roofing and siding is on some of the best looking buildings in the country.**

Build with Centurydrain roofing and siding and you've built a money-wise structure. Full-hard, high tensile galvanized steel, and an exclusive drain channel for a dry interior give you a building that'll handle years of hard duty and hard weather. Good looking, too. Crisp lines and plenty of bright, long-lasting colors make Wheeling Centurydrain as handsome as it is economical.
