Hoover & Kubota... We'll Weather Any Storm

Hoover is pleased to offer Kubota's powerful line-up of versatile, compact tractors that are perfect for landscaping, nursery, construction, small farm chores, and yes, plowing snow! The strength and durability of a Kubota utility tractor equipped with a high-performance loader will handle a multitude of tasks.

For over 25 years, Don Beidler has been selling tractors for Hoover. Call him today and get a Kubota, the utility tractor that will weather any storm.

These tractors are designed for maximum productivity, with more hydraulic capacity, high performance power steering and increased engine horsepower. The loader offers a precise balance between easy operation and powerful lifting force, and the operation of the loader requires the use of only a single lever to raise or lower the loader boom, or to dump or rollback the bucket.
