

The Only Thing More Comfortable Than The Cab? The Price.

John Deere 6000 Advantage Series Tractors With New ComfortVantage™ Cab

Big comfort doesn't always have to come with a huge price tag. The new ComfortVantage™ cab on 6000 Advantage Series Tractors offers features you'd expect to find in premium cabs in a sensibly priced economy tractor superior to any other in its class—hands down.

The large front windshield and dual side doors offer unobstructed, wide-open views in every direction. Convenient throttle controls give you a choice of hand

or foot operation. And for all-day comfort, the adjustable suspension seat puts your body in the perfect fatigue-fighting position. Plus, the convenient overhead air conditioning lets you direct air for maximum cooling performance on extra-hot days.

Boost your productivity without pushing your budget. Ask your John Deere dealer today about a rugged 6000 Advantage Series Tractor and the roomy ComfortVantage cab.
