STATE COLLEGE (Centre Co.) — Consider joining NCGA and PMCGA today to be part of a national effort to promote corn and corn producer-related issues.

With our Membership Incentive Program (MIP), corn producers who grow five or more acres of corn can join both organizations with little real cost.

The MIP program works like this:

If you sign up for a three-year joint membership for \$75, you can receive a free bag of seed from one of our participating industry partners listed on the form. To get signed up, complete your membership form and send it in to our office at the address listed on the form along with a check for \$75 made payable to PMCGA to cover the three-year membership.

Our office will then send your name to the seed company you have selected and a coupon to you indicating you have qualified for the program. You will then be contacted by one of the seed company reps and your seed will be delivered before the planting season.

This is a win-win-win proposition — you get a bag of seed and membership in a large national organization for \$75, NCGA and PMCGA get your support, and the seed industry gets to showcase new genetics to key producers.

CORN TALK NEWS

PENNSYLVANIA MASTER CORN GROWERS ASSOC., INC.

ducers.

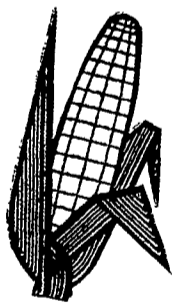

As a member of NCGA, you will be part of a 30,000-member national organization that is addressing many of the issues we face in the industry. Issues include corn prices, industry consolidation, environmental issues, and development of new markets for corn.

NCGA also sponsors the National Corn Yield Contest and Commodity Classic. They also send a quarterly newsletter to all members, entitled the National Corn Grower. PMCGA sponsors one or two conferences a

year, the Five-Acre Corn Club, Corn Talk, and helps to promote corn issues to the public at many local events.

If you are a corn producer who grows at least five acres of corn, consider joining for three years today and taking advantage of the MIP program. Use the MIP program to look at some new hybrids that some of our seed company partners have available this year. Remember, membership in the Pennsylvania Master Corn Growers Association (PMCGA) automatically makes you a member in the National Corn Growers Association (NCGA).

Brillion

SOIL COMMANDER

Brillion's Soil Commander is a versatile tillage tool designed to meet the needs of the mid-size farmer who uses a 150-200 H.P. tractor. It offers: ■ An optional rear leveling disk. ■ Your choice of deep ripper or chisel shanks. ■ Your choice of individually mounted front coulter or disk assemblies. ■ Choice of shank spacings of 15", 24", 27" or 30".

FLAIL SHREDDER

- Flail shredding facilitates trash decomposition to unlock valuable nutrients to the soil.
- The Brillion Shredder features a sturdy curved hood with replaceable wear plates for longer life.
- Brillion's rotors are dynamically balanced to provide smooth, vibration-free operation.

5' SURE STAND SEEDER

This 5' model has a single box with two compartments. The capacity of the front box (for chaffy seeds) is 1 1/4 bushels, the rear box (for legumes) holds 3/4 bushel. This model fits category 1 three point hitch.
