

Lancaster DHIA Extends Service Area

LANCASTER (Lancaster Co.) — Lancaster DHIA recently expanded their service area to include Blair, Huntingdon, and northern Bedford counties.

Laurie Vaughn has been hired as a field technician for the new area. Vaughn has eight years experience as a technician with a proven record, providing excellent, quality service.

She enjoys helping dairymen to use their reports, as well as Lancaster DHIA benchmarks, to

make good management decisions.

Jere High, manager of technical support for Lancaster DHIA, will conduct a "Records Workshop" for dairymen March 28 at the Williamsburg Farm Show Building.

Questions concerning service and cost for DHIA service can be directed to Laurie Vaughn at (814) 658-3749 or by calling Lancaster DHIA at 1-888-202-DHIA (3442).

Luke And Mitchell Cuculis To Show Cattle At Regional Preview Junior Angus Show

HARRISONBURG, Va. — Luke and Mitchell Cuculis, Seven Valleys, Pa., will exhibit Angus cattle at the 2001 Mid-Atlantic Junior Angus Classic (MAJAC) Regional Preview Angus Show in Harrisonburg, Va., March 10-11, reports Richard L. Spader, executive vice president of the American Angus Association.

They are both junior members of the American Angus Association with headquarters in St. Joseph, Mo., is one of 143 young Angus breeders from five states who have entered a total of 280 head to compete for championship honors.

Ken Guens, East Lansing, Mich., will judge divisions for bred-and-owned heifers, owned

heifers and steers.

The MAJAC Show is sponsored by the American Angus Association and the Northern Virginia Junior Angus Association. It is one of five regional junior Angus shows the national organization sponsors each year for its more than 11,000 active junior Angus members in the United States.

NEW! Vermeer 554XL Baler:

This is the baler that loves to eat hay!

Cut-Out Clutch Protection
No more burnt or hot discs to wrestle with Great protection for those times when your baler's pulling harder on the outside rows the tractor's overpowered or you accidentally overfill when trying to bale that last strip of hay

Here's why:

- 5-bar pickup handles bigger windrows, faster speeds
- Simple, horizontal bale-starting system is designed for fast starts
- Bottom drum design lets you pull in hay faster, often allowing you to drive a full gear faster
- Best HaySaver Wheels in the field
- Up to 1200 lbs. in a single 65" dia x 48" wide package, 2000 lb capacity with silage baler option
- Silage option lets you bale wet or dry without changing a thing
- Makes bales 17% larger* than a standard 5' dia. x 4' wide baler at virtually the same price! **

*Determined by comparing volume measurement of a standard 60 dia x 48 wide bale versus a 65 dia x 48 wide Vermeer bale
**Price comparison is based on published list prices (1/2000) between Vermeer 554XL Series Baler and other 5' x 4' competitive round

Check it out!
17%
more bale size
than standard 5' x 4' bales

Meet the newest member of the family.

Introducing Foundation Milk Replacer.
Now first in the Payback™ line of calf and heifer feeds.

The right nutrition at the right time.

Unlike other milk replacers, new Foundation is part of a complete program to maximize heifer growth and development. So now it's easy to feed a balanced diet from birth to first calving. See your Agway Feed Representative or call 1-800-343-2844
