about and control of poultry dis-  
eases from avian influenza to  
salmonella, and others.

The theme of the banquet,  
Shirk said, is "Pennsylvania  
Poultry: A New Generation."

There are a lot of changes  
under way in the industry, Shirk  
said, and research and educa-  
tion programs "enhance the  
poultry industry in Pennsylvan-  
ia."

Two new pilot programs in-  
clude a cooperative initiative  
with the conservation district  
and the American Clean Water  
fund on environmental steward-  
ship. The other program is a  
pilot program on an environ-  
mental management system  
with a focus on environmental  
issues.

Tickets for the banquet are  
\$100 apiece and are still avail-  
able. Contact Shirk at the Coun-  
cil, (717) 651-5920.

Suzuki QuadRunner ATVs may be used by those aged 16 and older. Suzuki highly recommends that all ATV riders take a training course. We'll even pay for it. For safety and training course information see your dealer or call the SVIA at 1-800-852-5344. ATVs can be hazardous to operate. For your safety always wear a helmet, eye protection and protective clothing. Always avoid paved surfaces. Never ride on public roads. Never carry passengers or engage in stunt riding. Riding and alcohol or other drugs don't mix. Avoid excessive speeds. Be extra careful on difficult terrain. Along with concerned conservationists everywhere, Suzuki urges you to "TREAD LIGHTLY" on public and private land. Preserve your future riding opportunities by showing respect for the environment, local laws and the rights of others when you ride.
