## ALL PARTS ARE NOT CREATED EQUAL... COUNT ON IT!

Just because parts are interchangeable doesn't mean they are exactly alike. Genuine Mueller parts are made with the same care and precision as the equipment on which they fit.

Count on Mueller for accuracy. Count on Mueller for reliability. Count on Mueller for profit.

It is the constant attention to perfection that gives Mueller the most highly regarded reputation in the industry. You've trusted Mueller for the equipment. Keep trusting Mueller for the exacting standards you've come to appreciate—standards that the others have yet to live up to. Mueller equipment, genuine Mueller parts, and a service record second to none are an unmatched combination.
