Top Producers Choose Knight! Congratulations to the La-Foster Farm
Terry and Gerald Foster are very proud of their record-breaking cow, Lucy, and rightly so. She produced 75,260 pounds of milk in her last lactation. They are also pleased with their Knight Reel Auggie® mixers, which, combined with the Foster's excellent management practices, have propelled the La-Foster herd average to the #1 milk production status in North Carolina. There is no comparison to the complete, palatable blend from a Knight Reel Auggie, with its patented reel and auger blending combination. Why else would the La-Foster Farm choose only Knight to feed their record-setting herd?
Pictured are Terry and Gerald Foster with their Knight dealer, Lewis Harrison.
