Offer ends June 30, 2001. See us today!

Building on a good thing

You might recognize the engines, drivelines and axles on the new New Holland TS tractors. They have excellent reputations based on past performance. Thousands of customers have put these components to hard use and benefited from their performance and durability.

So, New Holland wasn't about to change a good thing. They made other improvements to these 70- to 90-PTO-hp tractors instead - like increasing the horsepower, improving the comfort of the cab, relocating the fuel tank for added convenience, adding a top road speed of 25 mph, upgrading the electrical system and adding outlets and modernizing the styling.

Better see these exciting 70- to 90-PTO-hp TS tractors for yourself. And find out how good design can become even better.

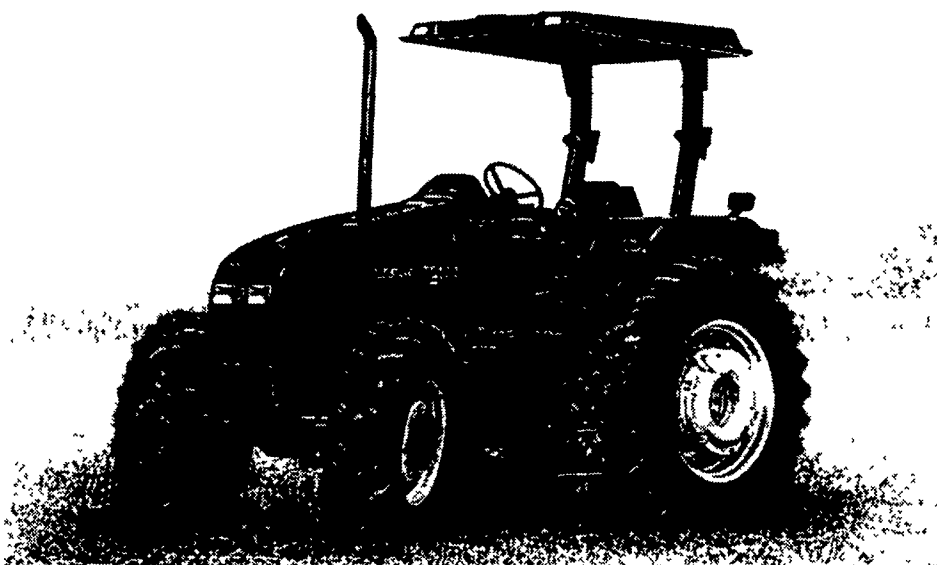

**A new standard from the
3-cylinder leaders**

New Holland has raised the standards for 42 to 62 PTO hp tractors with the introduction of TND and TNS models.

The higher standards include:

- Proven engines: up to 36% torque rise
 - Exclusive SuperSteer™; 76 degree turning
 - Exclusive Traction Management System
 - Iso-mounted, fully enclosed cab with standard A/C, heater, tilt/telescope steering, front/rear washers/wipers, best electronic dash, best visibility, and more
 - Clutchless power shuttle fingertip control
- State-of-the-art 16x16 Synchro Command™ transmission with 4 speeds under 1 mph

**BOOMER™
THE ULTIMATE
POWER TOOL**

With an innovative sloped-hood design and sleek styling, Boomer compact tractors set new standards for efficiency, maneuverability, and versatility.
