Thanks to all farmers who have installed Ulti-Mat!

ULTI-MAT™
 The Ultimate in Cow Comfort

THE ONLY All Rubber Mattress that recovers to original shape after cow movement

FACTS and FEATURES about Cow Comfort & the Ulti-Mat™ I.

- An all-rubber mattress that is rebuildable (no sewing to come apart, no material to tear).
- Choice of mattress covers.
- 3" nominal thickness
- Water & acid resistant polyurethane binder
- Uses PA reclaimed tire rubber.
- The most comfort for cows of any type of installation.
- Designed by farmers
- Mattress inert does not promote fungus or bacterial growth

New Farmer-Friendly installation allows changing cover or rebuilding mattress in minutes!

We are now manufacturing:
COW WALKWAY MATS
 for Feed Bunks • Holding Areas • Milking Parlors • Cow Walkways

Where cow walkway mats are installed on only 1/2 of the walkway, cows travel only on the one side where mats are on top of concrete.
 Milking parlor mats for milkers relieves stress on feet and legs for workers.

SPECIAL NOTICE: Because of the success of the Ulti-Mat™ Zartman Farms is now introducing a complete line of new mattresses.
