

National Retail Egg Purchases

Atlanta, GA
June 13, 2001

Report Supplied By USDA

In the Midwest and California, prices were unchanged on all eggs. Elsewhere, prices were 1 cent higher for mediums and unchanged on the balance. The market tone was steady for the larger sizes and fully steady for mediums. Demand was moderate to good and was best where features stimulated additional buying interest. Supplies of the heavier weights were generally sufficient while mediums were usually in close balance for current trade requirements. Breaking stock supplies were adequate to fully adequate for the light to moderate demand. Light type hens were fully sufficient to ample for normal slaughter schedules.

Northeast Broiler Fryer Parts Part I

ATLANTA, GA.
June 14, 2001

Report Supplied By USDA

Trucklot buying activity remained slow. Interest for b/s thighs was slow and disappointing. However, improvement was noted on most other items. Wings improved but were still adequate. Drums and thighs were reported as fully steady. Movement through retail and distributive channels was in a full range of light to good, best where features were in progress. Trade sentiment was somewhat improved and reported as steady on most items.
