Case IH Magnums from Hooper...

The Most Dependable Tractors on the Market

"We started with Hooper around 1990, and our first piece of equipment was a Case-IH 7120 Magnum. We have over 5,000 hours on it now, and we have had no major problems at all. It has been a good piece of machinery for us - they are very dependable tractors. Hooper's service and parts support has been really good too, they are there when you need them."
