

Thanks and congratulations to
Gary Stoltzfus, Elverson, Berks Co., PA, on the construction
of the first white Slurrystore® in the northeastern U.S.!

Pictured above is the Stoltzfus farm as it appeared on Mon., July 16, with its old manure storage tank. At right is Gary five days later with the old tank removed and a new white 62x19 NRCS-approved flange-mount Slurrystore structure built on the existing concrete slab. Gary comments that he was impressed with the speed and quality workmanship he received from Penn Jersey!
